

Donation policy and request form

Gilmore Avenue Car Wash and Quick Lube values being part of our community and helping when we can. We receive numerous requests for support of local causes and want to help as many as we can. Therefore, we have developed the following donation policy.

We will support your cause with a donation of car washes with the completion of the attached donation request. In order to process your request, please complete the form and return to us at least 2 weeks before the date of your event. Once the donation is ready, we will contact you via email to come pick up the certificates for washes.

Thank you for your support of local businesses!
